

Orientation Materials

Youth Wellness Hubs Ontario (YWHO) is pleased to offer a number of orientation and training materials for new YWHO staff and in-kind partners at YWHO Sites across the province. Please use this document as a guide through all trainings available for clinical staff, including Mental Health and Substance Use Clinicians, Nurse Practitioners, Psychiatry or additional primary care providers. All materials are available on the [YWHO Knowledge Base](#).

The following timelines are guidelines for full time staff. Please connect with your Manager to determine an appropriate timeline for your role if you are not a full time staff.

Training Pathway for all YWHO Clinical Staff

STEP 1: This training is mandatory and should be completed within 1 month of orientation *	
Introduction to YWHO	
YWHO Service Pathways	
Engagement and Building Rapport	
Sociodemographic Data Collection	
YWHO Data Collection Platform	
Clinical Screening Measures and Service Pathways	
Risk Assessment and Management of Youth with Self-Injurious Thoughts and Behaviours	
Addressing Substance Use with Youth (Part 1)	

*the training is mandatory for YWHO staff and strongly encouraged for in-kind partners

STEP 2: The following equity, diversity and inclusion and substance use trainings are strongly recommended to be completed following mandatory training *	
Functions of Substance Use in Youth (Part 2)	
Wiid-Semaadaanik E'shkiniigijig: Let's Walk with the Youth	
2SLGBTQ+ Inclusion	
Affirming Care for Trans Youth	
French Active Offer	
Trauma Informed Care	
Anti-Oppression and Anti-Racism (AOAR) training	
Harm Reduction	

* Please prioritize these trainings 2-3 months following completion of mandatory training

If you have any questions or require support in accessing the trainings, please reach out to your supervisor or contact training@ywho.ca
